

Notice of Intent to Circulate Petition

**Notice is hereby given** of the intention to circulate a petition proposing to incorporate a town in San Mateo County and make related boundary changes pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000

The proposal consists of the following changes of organization

- Incorporation of a new city to be known as the Town of Los Pueblecitos.
- Detachment from all County Service Areas that include the area 7 & 11

The reasons for the proposal are to

- Increase local control and accountability for decisions affecting the rural community,
- Secure self governance through a Town Council elected by local residents;
- Retain local tax revenues for use in the community to support municipal programs and services,
- Preserve, protect and sustain the quality of life and values prevailing within the proposed Town,
- Promote cost-effective services tailored to the needs of local residents and landowners and
- Provide coordinated resource management and planning services for vital community interests including watershed natural systems, parks and open space.
